Chanel Black Camellia Brooch, 2012

cotton

6cm

\$175

Gabrielle Chanel was seduced by the camellia. With no fragrance or thorns, it is a flower of simplicity and purity, much akin to the ethos of Coco Chanel. Compared to the opulence of a rose, she preferred the camellia's sobriety and geometric roundedness, with classic and consistent ordering of the petals, intelligible yet beautiful, like the woman that she was.
